# LED MR16

## LED MR16 01

### Features:

- ◎Optical design: High quality PC shade, high transparency
- ◎High-end LED chip: Encapsulation by golden thread, 80 percent energy saving.
- ◎Intelligent IC power supply: Constant current driver, with overload, short-circuit, under voltage protection
- ◎Plastic plus aluminum lamp body: excellent heat dissipation

### Applications:

Household, hotel, villa, shopping mall, meeting room, hospital, office etc.

### Technical parameter

Model No.	Power(W)	Ra	CCT(K)	Dimensions D1×H(mm)	Lumen(lm)	Input Voltage(V)	Beam Angle (°)
GNEP-MR160100331	3	70	3000	Ø50×50	210	AC180-264V	35°
GNEP-MR160100361	3	70	6000	Ø50×50	210	AC180-264V	35°
GNEP-MR160100531	5	70	3000	Ø50×50	350	AC180-264V	35°
